

Locations of 87 New Grocery Stores Authorized to Sell Beer and Cider

February 2, 2018 6:00 A.M.

Eighty-seven new independent and large grocery stores in communities across Ontario will be authorized to sell beer and cider in April 2018. This is in addition to over 200 grocery stores across the province already authorized to sell beer and cider -- 70 of which can also sell wine. Criteria were set to ensure fairness and geographic distribution.

Social responsibility requirements

Selling alcohol is a public trust the government takes very seriously. The following retail requirements apply to authorized grocers:

- The sale of wine, beer and cider adheres to standard hours: Monday to Saturday 9:00 a.m. to 11:00 p.m., Sunday 11:00 a.m. to 6:00 p.m.
- The limitations to alcohol by volume are: a maximum of 7.1 per cent for beer and cider, and 18 per cent for wine.
- Beer and cider continue to be sold in a six-pack or less or up to 750 mL per container.
- Wine can be sold in maximum four-litre containers.
- Staff selling alcohol must be a minimum of 18 years of age and be trained on Ontario's standards for social responsibility, including making sure customers under the age of 19 and intoxicated individuals do not purchase alcohol.
- Grocers are required to adhere to uniform and minimum pricing for wine, beer and cider.

The Alcohol and Gaming Commission of Ontario is overseeing these and other regulations.
