

FRONTLINE™ HAND SANITIZER

Maverick Distillery are answering the call, and diverting much of our production to manufacturing Hand Sanitizer. 65% alcohol based

W.H.O. recommended recipe of Ethyl alcohol, glycerine and hydrogen peroxide

Made in Oakville, Ontario by Canada's No.1 craft distillery, makers of TAG VODKA and BARNBURNER VODKA

Fair pricing and a portion of proceeds will be donated to our tireless frontline workers.

65% alcohol content. W.H.O recommended recipe

Alcohol-based formula effectively kills harmful bacteria and germs on contact when soap and water is not available

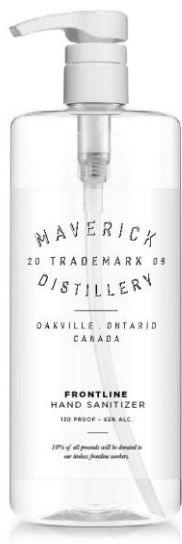

Quick-drying formula does not leave hands feeling sticky or greasy

Made in Oakville, Ontario, Canada
