## ALL NEW PROMOTION FOR MAY/JUNE 2020!

NEW “BASIC MASK”\* AT MUCH LOWER PRICES!

**The “Basic Mask”\***  
**ONLY \$57.50 per box of 50.**  
**(Incl. S&H!)**  
**(Min. 3 boxes)**

Product JP-SPEC001A

By popular demand, we now supply the “Basic Mask”\*. A Level 1 mask that is for everyday use. Prevents “droplets” from launching into the air through speech, coughing and other regular activities, thereby reducing community spread. **LIMITED SUPPLY. Minimum of 3 boxes per order.** Not eligible for any promotions or discounts. **ONLY \$1.15 per mask! AND INCLUDES S&H!** A deal that can’t be beat!

\*Please note that we recommend Level 2 masks (Product: JP002A and JO002B), which offer a greater level of protection. These are considered the basic blue mask — a mask that many businesses prefer for short term interactions where social distancing is also practised.

# PERSONAL PROTECTIVE EQUIPMENT (PPE) PRODUCT SHEET

The following products are available for order through our online order form. Please note that due to the high demand for PPE, and the limited shipping routes available, that some products may be on back order. Our shipments arrive near the end of each month.

Online order form with “all-in” pricing, which includes shipping and handling with tracking: [CLICK ME!](#)

\*Please note that some products on this sheet may not be exactly as they appear.

### Thermal “no touch” gun

These are the latest thermal infra-red guns that allow you to have “piece of mind”, that the people you’re coming in contact with, have no fever, which is an early sign of some infections.

“No contact” means your unit remains clean and safe to use on multiple people (providing regular cleaning of the unit is practised).

**This product is on back order. IF YOU ARE INTERESTED, please indicate so on the order form, and you will be contacted when they arrive in our warehouse.**

Product: JP006
