

The background is a solid dark red color. On the left side, there are several thin, light red concentric curved lines that sweep across the frame. On the right side, there are several small, light red plus signs scattered across the background. The logo itself is centered in the upper half of the image. It consists of the text 'T-zone' in a bold, white, sans-serif font. To the right of 'T-zone' is a white rectangular box with a rounded right side. Inside this box, the word 'HEALTH' is written in a bold, dark red, sans-serif font.

T-zone **HEALTH**

**PERSONAL PROTECTIVE EQUIPMENT FOR THE
MEDICAL AND CONSUMER COMMUNITIES.**

WE ARE T-ZONE HEALTH.

We specialize in Personal Protective Equipment (PPE).

All our products meet all Canadian government regulations, namely:

- Medical device requirements where applicable;
- Canadian government labelling regulations;
- Quebec French labelling requirements;
- Health Canada requirements where applicable;
- Natural health products requirements where applicable.

Most of the products that we have seen offered do not comply to Canadian regulations. We are proud that all our product cartons are designed by ourselves under our brand name.
