Notice to All of Our Customers

We at Hilly Acres Farm Ltd. strive to continue providing fresh quality products quickly and efficiently to our customers for the past 50+ years and we value our relationship with each and every one of you tremendously.

In 5 years, there hasn't been a grader operating increase. Over the course of these 5 years, packaging, labour, freight and other overhead costs have increased significantly. All graders are putting this price change in place across Canada to aid in covering these costs.

That's why we notify you that the price of all our products will increase by **\$0.10/dozen**, effective **June 28, 2020**.

We are asking for your cooperation by modifying your ordering systems to reflect the price change for all orders delivered starting June 28, 2020.

As the COVID-19 pandemic is on the top of everyone's minds, please note that this price increase had been decided long before the crisis hit. The notice has been postponed in order to focus on the safety of our staff, keep our operations functional and maintain the increases in demand during this time.

Thank you so much for your continued support and trust in us so we can all enjoy the freshest eggs possible.

Sincerely,

Theo Eyking

Notice to All of Our Customers

This letter is a follow up to our previous notice which explains the market price increase of \$0.10 per dozen.

Since that time, many of you have shared concerns regarding the timing of our implementation (May 10, 2020). Although we understand the timing of this price increase comes at a challenging time for us all, it is important to understand that this action is required in order for us to continue to provide you with the freshest eggs as timely as possible.

With that being said, we have given careful consideration regarding your concerns on the timing and have agreed to delay our effective date to June 28, 2020.

We continue to value your business and appreciate all the feedback you have shared with us as we try to manage our business operations during these difficult times. Should you require any additional details, please do not hesitate to call us or email us at the office.

Sincerely,

Theo Eyking
